Dear Mr. Gray,

I inclose a letter from Prof. Bessey which I think you desired. So far we have been in town, but expect to go, Aug 1st to Conway, Mass., (not N. H.), Mrs. Bailey and the children are well. My cousin - Mrs. C. E. Bailey was at a delightful reception at your house. I hope you are on the lovely Bessley Shore - or somewhere as nice.

Yours friend ever
W. W. Bailey
